THE QUEENSLAND JOURNAL OF AGRICULTURAL SCIENCE

VOLUME 21, 1964

CONTENTS

No. 1, MARCH

PAGE

Isolation and Identification of the Toxic Principle of *Gastrolobium grandiflorum*. By T. McEwan 1

Melioidosis in Animals in North Queensland 3. Bacteriology. By L. Laws 15

Studies on Factors in Beef Cattle Production in a Subtropical Environment. 2. Growth to Weaning. By G. I. Alexander, A. W. Beattie and D. N. Sutherland .. 25

An Experimental Pineapple Juice Concentrate Plant Incorporating Flavour Recovery. By R. E. Leverington and R. C. Morgan 33

Changes in the Pectic Substances of Stored Elberta Peaches. By J. B. Watkins .. 47

Flow of Water in a Channel Lined with Kikuyu Grass. By J. Rosser 59

Effect of Tobacco Seedbed Treatments for Nematode Control on Plant Growth in the Field. By J. J. Davis 71

Studies of Plant and Soil Nematodes. 7. Queensland Records of the Order Tylenchida and the Genera *Trichodorus* and *Eiphinema*. By R. C. Colbran 77

SHORTER COMMUNICATIONS

Effect of 2,4–D on Some Tropical Pasture Legumes. By D. R. Bailey 125

Effect of 2,4–D Preplant Soil Spraying on the Establishment of *Centrosema pubescens*. By D. R. Bailey 129

Use of Dichloran Against Sclerotina Rot of Tomatoes. By J. C. Johnson 133

Effects of Stubble Treatments on Subsequent Wheat Crops. By J. W. Littler .. 137

Application of the Udy Protein Test to Queensland Wheats and Flours. By R. L. Roofayel 143

Effect of Previous Cropping with Soybeans on the Nodulation of Soybeans on the Darling Downs, Queensland. By R. L. Harty 145

Further Investigations into the Behaviour of Delicious Apples Stored in Controlled Atmospheres. By C. D. Stevenson and E. T. Carroll 147

Inactivation of Alpha-amylase Used as an Indication of Effective Heat Treatment of Queensland Whole-egg Pulp. By Patricia Loane 153

Comparison of Drying Ovens for Determining the Moisture Content of Cheese. By A. Lyall 157

A Simple Laboratory Glass Still with Automatic Water Control. By F. S. F. Mehr 159

Molar Progression and Macropod Age. By T. H. Kirkpatrick 163

No. 2, JUNE

Effects of Copper and Cobalt Supplementation on the Growth Rate and Fertility of Shorthorn Heifers in Northern Coastal Queensland. By L. E. Donaldson, J. M. Harvey, A. W. Beattie, G. I. Alexander and M. A. Burns 167

Studies on Grass Silage from Prodominantly *Paspalum dilatatum* Pastures in South-eastern Queensland. 2. Influence of Length of Cut on Silages with and without Molasses. By M. S. Levitt, A. Hegarty and M. J. Radel 181

PAGE

Examination of Twelve Strains of *Tritrichomonas foetus* (Riedmuller) Isolated in Queensland and the Description of a New Serotype, *T. foetus* var. *brisbane*. By JEAN K. ELDER 193

Studies on the Growth of Soybeans on the Darling Downs, Queensland. By R. L. HARTY and R. B. BYGOTT 205

Vinegar Base Production from Waste Pineapple Juice. By MARIAN M. SPURGIN .. 213

SHORTER COMMUNICATIONS

Cover Crops for Nematode Control in Old Banana Land. By R. C. COLBRAN .. 233

Effects of Treatments of Banana "Bits" for Nematode Control on Emergence and Yield. By R. C. COLBRAN 237

Response of *Glycine javanica* to the Application of a Substituted Phenoxybutyric Acid Herbicide. By W. J. DRAPER 239

Observations on Manganese Deficiency in the Pecan. By P. Cornish 243

Variability and Correlation of Yield and Tree Girth in Apples in the Stanthorpe District, Queensland. By M. BENGSTON 245

Suspected Occurrence of *Byssochlamys fulva* in Queensland-grown Canned Strawberries. By MARIAN M. SPURGIN 247

Freezing Point of Buttermilk as a Measure of Added Water in Cream. By V. C. TUCKER 251

A Colorimetric Method for the Measurement of Polyphenoloxidase Activity. By B. C. PEACOCK 255

The Brolga, *Grus rubicundus* (Perry), on Some Coastal Areas in North Queensland: Fluctuations in Populations, and Economic Aspects. By H. J. LAVERY 261

Banding of Wild Ducks in South-eastern Queensland during 1957. By H. J. LAVERY and C. ROFF 265

Nos. 3–4, SEPTEMBER–DECEMBER

Red Scale Control Investigations on Citrus in Queensland, 1951–1958. By W. A. SMITH 275

Fertilizers for Culinary Bean Seed Production in Northern Queensland. By A. R. MITCHELL 295

Resazurin Reduction Time after Storage as a Keeping Quality Test for Pasteurized Market Cream. By LORNA G. LIGHTBODY 303

Effect of Low-temperature Storage on the Bacteriological Quality of Pasteurized Market Cream. By LORNA G. LIGHTBODY 311

INDEX TO VOL. 21

A

PAGE

"A colorimetric method for the measurement of polyphenoloxidase activity" 255

Alexander, G. I. (with A. W. Beattie and D. N. Sutherland)—
"Studies on factors in beef cattle production in a subtropical environment. 2. Growth to weaning" 25

Alexander, G. I. (with L. E. Donaldson, J. M. Harvey, A. W. Beattie and M. A. Burns)—
"Effects of copper and cobalt supplementation on the growth rate and fertility of Shorthorn heifers in northern coastal Queensland" 167

"An experimental pineapple juice concentrate plant incorporating flavour recovery" .. 33

Apples—
Storage 147
Variability and correlation of yield and tree girth 245

"Application of the Udy protein test to Queensland wheats and flours" 143

"A simple laboratory glass still with automatic water control" 159

B

Bailey, D. R.—
"Effect of 2,4–D on some tropical pasture legumes" 125
"Effect of 2,4–D preplant spraying on the establishment of *Centrosema pubescens* 129

"Banding of wild ducks in south-eastern Queensland during 1957" 265

Bean seed production, fertilizers 295

Beattie, A. W. (with G. I. Alexander and D. N. Sutherland)—
"Studies on factors in beef cattle production in a subtropical environment. 2. Growth to weaning" 25

Beattie, A. W. (with L. E. Donaldson, J. M. Harvey, G. I. Alexander and M. A. Burns)—
"Effects of copper and cobalt supplementation on the growth rate and fertility of Shorthorn heifers in northern coastal Queensland" 167

Bengston, M.—
"Variation and correlation of yield and tree girth in apples in the Stanthorpe district, Queensland" 245

Brolga, fluctuations in populations, and economic aspects 261

Burns, M. A. (with L. E. Donaldson, J. M. Harvey, A. W. Beattie and G. I. Alexander)—
"Effects of copper and cobalt supplementation on the growth rate and fertility of Shorthorn heifers in northern coastal Queensland" 167

Bygott, R. B. (with R. L. Harty)—
"Studies on the growth of soybeans on the Darling Downs, Queensland" .. 205

Byssochlamys fulva in canned strawberries 247

Carroll, E. T. (with C. D. Stevenson)—
"Further investigations into the behaviour of Delicious apples stored in controlled atmospheres" 147

C

Cattle—
copper and cobalt supplementation 167
studies in a subtropical environment 25

"Changes in the pectic substances of stored Elberta peaches" 47

Cheese, determination of moisture content 157

Citrus, red scale control 275

Cobalt, supplementation of cattle 167

PAGE

Colbran, R. C.—
" Cover crops for nematode control in old banana land " 233
" Effects of treatment of banana ' bits ' for nematode control on emergence and yield " 237
" Studies of plant and soil nematodes. 7. Queensland records of the order Tylenchida and the genera *Trichodorus* and *Eiphinema* " 77
" Comparison of drying ovens for determining the moisture content of cheese " .. 157
Copper, supplementation of cattle 167
Cornish, P.—
" Observations on managanese deficiency in the pecan " 243
" Cover crops for nematode control in old banana land " 233
Cream—
freezing point 251
storage 303, 311

D

Davis, J. J.—
" Effect of tobacco seedbed treatments for nematode control on plant growth in the field " 71
Donaldson, L. E. (with J. M. Harvey, A. W. Beattie, G. I. Alexander and M. A. Burns)—
" Effects of copper and cobalt supplementation on the growth rate and fertility of Shorthorn heifers in northern coastal Queensland " 167
Draper, W. J.—
" Response of *Glycine javanica* to the application of a substituted phenoxybutyric acid herbicide " 239
Duck banding 265

E

" Effect of low-temperature storage on the bacteriological quality of pasteurized market cream " 311
" Effect of previous cropping with soybeans on the nodulation of soybeans on the Darling Downs, Queensland " 145
" Effect of tobacco seedbed treatments for nematode control on plant growth in the field " 71
" Effect of 2,4–D on some tropical pasture legumes " 125
" Effect of 2,4–D preplant soil spraying on the establishment of *Centrosema pubescens* " 129
" Effects of copper and cobalt supplementation on the growth rate and fertility of Shorthorn heifers in northern coastal Queensland " 167
" Effects of stubble treatments on subsequent wheat crops " 137
" Effects of treatments of banana ' bits ' for nematode control on emergence and yield " 237
Egg pulp, heat treatment 153
Elder, Jean K.—
" Examination of twelve strains of *Tritrichomonas foetus* (Riedmuller) isolated in Queensland and the description of a new serotype, *T. foetus* var. *brisbane* " 193
" Examination of twelve strains of *Tritrichomonas foetus* (Riedmuller) isolated in Queensland and the description of a new serotype, *T. foetus* var. *brisbane* " .. 193

F

" Fertilizers for culinary bean seed production in northern Queensland " 295
Flour, Udy protein test 143
" Flow of water in a channel lined with kikuyu grass " 59
" Freezing point of buttermilk as a measure of added water in cream " 251
" Further investigations into the behaviour of Delicious apples stored in controlled atmospheres " 147

G

PAGE

Gastrolobium grandiflorum, toxic principle isolation and identification 1

Glycine javanica, response to a substituted phenoxybutyric acid herbicide 239

H

Harty, R. L.—

" Effect of previous cropping with soybeans on the nodulation of soybeans on the Darling Downs, Queensland " 145

Harty, R. L. (with R. B. Bygott)—

" Studies on the growth of soybeans on the Darling Downs, Queensland " .. 205

Harvey, J. M. (with L. E. Donaldson, A. W. Beattie, G. I. Alexander and M. A. Burns)—

" Effects of copper and cobalt supplementation on the growth rate and fertility of Shorthorn heifers in northern coastal Queensland " 167

Hegarty, A. (with M. S. Levitt and M. J. Radel)—

" Studies on grass silage from predominantly *Paspalum dilatatum* pastures in south-eastern Queensland. 2. Influence of length of cut on silages with and without molasses " 181

I

" Inactivation of alpha-amylase used as an indication of effective heat treatment of Queensland whole-egg pulp " 153

" Isolation and identification of the toxic principle of *Gastrolobium grandiflorum* " .. 1

J

Johnson, J. C.—

" Use of dichloran against sclerotina rot of tomatoes " 133

K

Kirkpatrick, T. H.—

" Molar progression and macropod age " 163

L

Lavery, H. J.—

" The brolga, *Grus rubicundus* (Perry), on some coastal areas in North Queensland: fluctuations in populations, and economic aspects " 261

Lavery, H. J. (with C. Roff)—

" Banding of wild ducks in south-eastern Queensland during 1957 " 265

Laws, L.—

" Melioidosis in animals in North Queensland. 3. Bacteriology " 15

Leverington, R. E. (with R. C. Morgan)—

"An experimental pineapple juice concentrate plant incorporating flavour recovery " 33

Levitt, M. S. (with A. Hegarty and M. J. Radel)—

" Studies on grass silage from predominantly *Paspalum dilatatum* pastures in south-eastern Queensland. 2. Influence of length of cut on silages with and without molasses " 181

Lightbody, Lorna G.—

" Effect of low-temperature storage on the bacteriological quality of pasteurized market cream " 311

" Resazurin reduction time after storage as a keeping quality test for pasteurized market cream " 303

PAGE

Littler, J. W.—
" Effects of stubble treatments on subsequent wheat crops " 137

Loane, Patricia—
" Inactivation of alpha-amylase used as an indication of effective heat treatment of Queensland whole-egg pulp " 153

Lyall, A.—
" Comparison of drying ovens for determining the moisture content of cheese " .. 157

M

McEwan, T.—
" Isolation and identification of the toxic principle of *Gastrolobium grandiflorum* " 1
Macropod age, molar progression 163

Mehr, F. S. F.—
"A simple laboratory glass still with automatic water control " 159
" Melioidosis in animals in North Queensland. 3. Bacteriology " 15

Mitchell, A. R.—
" Fertilizers for culinary bean seed production in northern Queensland " 295
" Molar progression and macropod age " 163

Morgan, R. C. (with R. E. Leverington)—
"An experimental pineapple juice concentrate plant incorporating flavour recovery " 33

N

Nematode control 233, 237
Nematode descriptions 77

O

" Observations on manganese deficiency in the pecan " 243

P

Pasture, effect of 2,4–D 125, 129
Peaches, storage 47

Peacock, B. C.—
"A colorimetric method for the measurement of polyphenoloxidase activity " .. 255
Pecan, manganese deficiency 243

Pineapple juice—
concentrate plant 33
vinegar base production 213
Polyphenoloxidase activity measurement 255

R

Radel, M. J. (with M. S. Levitt and A. Hegarty)—
" Studies on grass silage from predominantly *Paspalum dilatatum* pastures in south-eastern Queensland. 2. Influence of length of cut on silages with and without molasses 181
" Red scale control investigations on citrus in Queensland, 1951–1958 " .. 275
